List of Figures ..... xvi

Foreword by Thomas W. Myers ..... xxvii

Preface to the 2007 Edition..... xxx

Introduction..... 1

    What Is Deep Tissue Massage? ..... 2

    Why Study Deep Tissue Massage? ..... 4

Safety First: Caveats ..... 5

    Caveats ..... 6

    Areas for Caution..... 8

Chapter One. General Theories..... 15

    Principles of Deep Tissue Massage..... 15

    Reading the Body ..... 18

    Refining Your Touch ..... 19

        Quality of Touch ..... 20

        How to Cultivate Your Touch..... 21

*Receive Work from Accomplished Bodyworkers..... 21*

*Take Continuing Education Classes ..... 21*

*Schedule a Tutorial ..... 21*

*Practice Palpation..... 22*

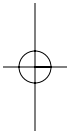

    Some Aspects That Define Touch ..... 23

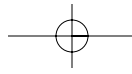

        A Soft Touch ..... 23

        The Distinction Between Compressing and Stretching Tissue ..... 24

        Biomechanics..... 25

        Proper Working Distance from Client..... 26

DEEP TISSUE MASSAGE: A VISUAL GUIDE TO TECHNIQUES

---

The All-Important Melt of Muscle Tissue ..... 27

A Few Words about Pain ..... 28

Direction of Strokes ..... 29

Some Basic Stroke Strategies ..... 30

    Lengthening Strokes ..... 30

    Anchor and Stretch ..... 30

    Working in the Direction of Stretch ..... 31

    Cross-Fiber Strokes ..... 31

    Separating Muscle Compartments ..... 32

    Freeing Muscles from Entrapment ..... 33

    Allowing a Muscle to Shorten ..... 35

Chapter Two. General Techniques..... 39

    The Hierarchy of Power ..... 39

    Just Say “No” to Thumbs ..... 40

    Proper Use of the Fingers ..... 41

    Use of Knuckles Instead of Thumbs ..... 42

    An Example: Knuckles and Fingers—Occiput, Forehead, Temple ..... 44

    Use of the Fist..... 45

    Use of the Forearm..... 48

    Use of the Elbow..... 50

    General Strategies ..... 52

        Placing Muscles in a Stretched Position ..... 52

        Making Use of The Side-Lying Position ..... 55

*Working the Adductors in the Side-Lying Position* ..... 56

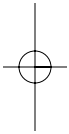

*Other Uses of Side-Lying* ..... 57

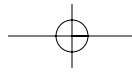

        Using a Full Range of Alternatives in Position ..... 58

Chapter Three. Specific Strategies ..... 61

    Working with the Foot and Lower Leg..... 61

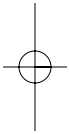

        High and Low Arches..... 61

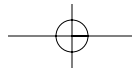

---

The Plantar Surface of the Foot.....	65
Ankle Retinaculum .....	68
Anterior Leg .....	68
Posterior Leg .....	71
<i>Prone Position</i> .....	71
<i>Side-Lying and Supine Position</i> .....	71
<b>Working with the Upper Leg</b> .....	76
Working the Adductors in Side-Lying Position.....	76
Upper Leg Variations .....	76
Abductors of the Leg .....	78
Tensor Fasciae Latae.....	80
<b>Working with the Pelvis</b> .....	82
Gluteus Maximus Muscle .....	82
External Rotators of the Leg .....	83
Other Pelvic Options .....	84
<i>The Sacrum</i> .....	84
<i>The Coccyx</i> .....	84
<i>The Sacrotuberous Ligament</i> .....	85
<b>Working with the Pelvis and Low Back</b> .....	86
Quadratus Lumborum .....	87
<b>Working with the Abdomen</b> .....	89
Psoas and Iliacus Muscles .....	89
<b>Working with the Breath</b> .....	92
<b>Working with the Upper and Mid-Back</b> .....	95
Vertebrae, Ribs, and Paraspinal Muscles .....	96
Side-Lying Techniques .....	100
<i>Back Extension</i> .....	100
<i>Back Flexion</i> .....	100
<i>Spinal Rotation Techniques</i> .....	101
<b>Working with the Shoulder Girdle and Chest</b> .....	103
The Chest.....	107

DEEP TISSUE MASSAGE: A VISUAL GUIDE TO TECHNIQUES

The Rotator Cuff..... 114

The Scapula..... 115

*Freeing the Lateral Scapula* ..... 115

*Freeing the Medial Border of the Scapula* ..... 117

**Working with the Arms**..... 117

**Working with the Hands** ..... 120

**Working with the Neck**..... 120

**The First Rib and Its Importance for Neck Work**..... 125

    Working with the Anterior Neck ..... 127

    Strategies for Prone Neck Work ..... 131

**Working with the Skull**..... 132

    The Occipital Ridge ..... 133

    General Skull Work..... 133

    Anterior and Medial Skull Work ..... 134

**Working with the Jaw and TMJ**..... 134

**Cranial Decompression**..... 141

**Chapter Four. Your Role in Looking out for the Health of Your Clients** . 143

**An Ounce of Prevention** ..... 144

        Back Pain ..... 145

        Neck Pain..... 148

        Headaches ..... 149

**More Serious Conditions** ..... 149

        Malignant Melanoma ..... 149

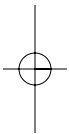

        Breast Cancer ..... 151

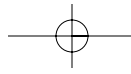

**Emotions and Massage**..... 152

**Chapter Five. Therapeutic Strategies for Addressing Common Complaints and Injuries** ..... 155

**Troubleshooting Guide**..... 156

        Treating the Person and Not Just the Injury ..... 160

Planning Your Session ..... I63

The Intangibles—Your Healing Manner ..... I64

Red Tape ..... I65

Billing ..... I69

Applications ..... I70

**The Ankle** ..... I71

    Soft Tissue Strategies ..... I72

    Working in Gravity ..... I74

    Strengthening Strategies ..... I75

    Stretching Strategies ..... I76

**Plantar Fasciitis** ..... I77

    Soft Tissue Strategies ..... I78

    Stretching Strategies ..... I78

**The Knee** ..... I79

    Patellar Alignment ..... I79

    Soft Tissue Strategies ..... I80

*The Iliotibial Band* ..... I81

*Working with the Adductors* ..... I83

*Knee Tracking* ..... I84

    Strengthening Strategies ..... I86

    Stretching Strategies ..... I90

**Tennis Elbow and Golfer’s Elbow** ..... I93

    Soft Tissue Strategies ..... I93

    Strengthening Strategies ..... I94

    Stretching Strategies ..... I95

**Carpal Tunnel Syndrome** ..... I95

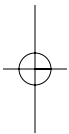

**The Low Back** ..... I97

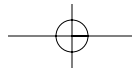

    Soft Tissue Strategies ..... I98

    Working the Low Back in Flexion and Extension ..... I99

    Strengthening Strategies ..... 200

    Stretching Strategies ..... 203

DEEP TISSUE MASSAGE: A VISUAL GUIDE TO TECHNIQUES

---

**Sciatica** ..... 204

    Soft Tissue Strategies ..... 204

    Strengthening and Stretching Strategies ..... 205

    Piriformis Syndrome and Sciatica ..... 205

*Locating the Piriformis* ..... 205

    Soft Tissue Strategies for the Piriformis ..... 206

**The Shoulder** ..... 206

    Soft Tissue Strategies ..... 206

    Strengthening Strategies ..... 207

    Determining Restrictions in Arm Rotation ..... 210

    Stretching Strategies ..... 211

    PNF Stretches ..... 212

**Chapter Six. Planning Your Session** ..... 219

**Establishing a Strategy for Your Session** ..... 219

        Primary and Secondary Tightness ..... 221

        A Short and Tight Muscle Versus a Long and Tight Muscle ..... 222

**Bodyreading** ..... 223

        Front-to-Back Balance ..... 224

        Side-to-Side Balance ..... 225

        Internal Versus External Patterns ..... 226

**Active Versus Passive Movements** ..... 228

        Seated Work ..... 229

        Seated Trapezius Work ..... 230

        Seated Scapula Work ..... 231

        Extending the Thoracic Spine ..... 232

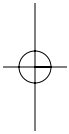

        Stretching the Lumbar Fascia ..... 232

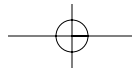

        Shoulder Girdle Work ..... 233

        Integrating Strokes and Strategies into Your Massage Style ..... 234

**Chapter Seven. Fulfillment Through a Thriving Practice** ..... 237

**Moving Forward with Your Knowledge** ..... 238

---

Time Management .....	238
Other Pitfalls that Limit Growth .....	240
<b>The Realities of Entering the Bodywork Profession.....</b>	<b>242</b>
Practical Matters .....	242
Self-Esteem .....	244
Distinguishing Yourself .....	245
<b>Fulfillment Through Self-Expression .....</b>	<b>247</b>
<b>Suggested Reading .....</b>	<b>249</b>
<b>Index .....</b>	<b>257</b>
<b>About the Author .....</b>	<b>263</b>
